

Dear Industry Friends,

In response to the current global situation and growing uncertainty regarding the rapid spread of COVID-19 or Coronavirus, we have defined more flexible reservation and modification policies.

Please find our new temporary policies, below:

All current reservations with travel date before 30 September 2020:

- Request to modify may be made until 1 day before travel date.
- May be postponed until June 2021.
- The new postponed date must be advised within 30 days of requesting the modification.
- The reservation could be used for any passenger or group requesting this modification.
- Applies to international bookings.
